Quality Polly Pig

QPP

A SUNCAST COMPANY

QUALITY POLLY PIG LTD.

QPP has been a manufacturer and supplier of pipeline pigs and parts for over 20 years. We are excited to announce our partnership with Suncast Polytech Inc. Together QPP and Suncast can provide our customers with a complete line of pipeline pigs, parts and accessories. Including the only pipeline pig manufacturer in the world with the technology to rebuild worn polyurethane pigs & parts through the process of **ReCast™**.

WHAT IS RECAST™?

ReCast™ is a proprietary technology that has made it possible to develop a completely secure bond between previously used polyurethane (worn pig parts) and new polyurethane, to rebuild/recycle end of life parts back to reusable pipeline parts.

MILLIONS OF DOLLARS SAVED WITH **RECAST™** PARTS

RECAST™ HAS REDUCED OVER A HALF MILLION POUNDS OF PARTS FROM LANDFILLS

FEATURES AND BENEFITS:

- Up to 35% cost savings over new parts
- Proven **ReCast™** Technology that has been in the Oil industry for almost 20 years
- Life cycle of **ReCast™** PUR parts parts can increase as much as 12x over traditional single use pigging parts
- This technology has saved over a half million pounds of material from being put into landfills
- QPP offers a complete line of pipeline pigs, parts and accessories

MANUFACTURER & SUPPLIER OF NEW & **RECAST™** PIPELINE PIGS AND ACCESSORIES
